d - Deferred status means the bull did not fully pass the semen test; however, the vet advised it is likely cold stress related and believes if we retest in 2 weeks in warmer weather they will pass. Therefore we will retest and get a vet certificate prior to anyone taking a deferred bull home and if by chance they don't pass the second test, you can choose a replacement, credit or refund whichever you prefer.

Calving Ease Ratings

*** - Heifer Bull

** - Large heifers and Cows

* - Cow bull

d - deferred semen test
